

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

August 31st, 2020

Center School District Family and Friends,

In support of district families, the YMCA of Greater Kansas City is excited to announce that we are opening all-day remote learning support and childcare locations in your area, including a location at Red Bridge Elementary School. With flexible enrollment options and hours from 7:00 AM to 6:00 PM daily, our Y-Academy Program is designed to support children in grades K-6.

Y-Academy combines our YMCA essential childcare programming with remote classroom support. Staffed by trained YMCA Youth Development Leaders, the program is a combination of remote learning assistance, YMCA holistic curriculum, and other components based on the needs of children that enroll.

Here are several key details related to structure and programming:

- Small group sizes to ensure social distance guidelines
- Daily YMCA enhanced cleaning protocols
- 7:00 AM-6:00 PM Hours Monday-Friday
- Individualized remote learning support
- Safe physical and social activities
- 25% discount for first 15 enrollees who qualify for free/reduced lunch program

The YMCA has recently received a grant to significantly reduce costs for Center School District children to attend this program. You will receive all-day childcare and virtual learning assistance for \$8.75 per day. First preference for enrollment will be given to parents who enroll their child before Thursday, September 3rd.

To enroll, go to www.kansascityymca.org and click on the "Before and After School Y Club" option under Programs on the main page. From there you can access the Learning Academy page. Simply choose the Center Red Bridge tab and enroll. If you need assistance or have questions, call us at (816) 360-3390 or email yclubsupport@kansascityymca.org and we will help with your specific situation.

Sincerely,

Steven Scraggs, Ph.D.
Sr. Vice President of Youth Development Services
