

Welcome Back to School!

This week is fluid and self-paced. This week, families will:

- 1. Be contacted by their teacher to meet virtually and discuss individual activities for this week**
- 2. Participate in virtual student assessments with their teacher**
- 3. Practice logging in to Canvas, Lexia and Dreambox**
- 4. Students will complete "First Week Activities" on Canvas**
- 5. Complete device and supply pick up according to our schedule:**

Please use the main Emerson Elementary entrance (enter from Martin Luther King Jr Blvd). You will pull into the right lane for device and supply pick up (this is the lane closest to the building). Please leave the left lane open and clear for through traffic. Once you arrive and pull into the pickup lane, please call 918.925.1320 to inform the main office that you have arrived. We will need all your students' full names and grade level so that we can properly check out the device in his/her name. If your student already has a Chromebook assigned to them, then you will not need to check out another device. If your student checked out an iPad last spring, you will need to bring that iPad back to trade in for a Chromebook. If you have any questions concerning this schedule, please contact Mr. Kester at kestead@tulaschools.org or 918.925.1327.

We appreciate your flexibility as we prepare for district wide distance learning. We look forward to a great 2020-2021 school year!
