**THE
MORNING
CALL**

August 30, 2020

Dear Parents/Guardians,

Tomorrow is the first day of school at Parkland!

REMINDER: All students must fill out the [1-Minute Wellness Screener Form](#) prior to getting on a bus or attending school tomorrow! You will receive texts/emails with the link each morning at 6:15 AM for the next two weeks.

The first two weeks of school consist of only 4 days each. There is no school on Friday, September 4, and Monday, September 7. Therefore, we have adjusted the Hybrid Schedule so that each group of learners (Last names A-L or M-Z) has two days of in-person instruction. There are several times when we have adjusted the weekly schedule to maximize in-person instructional days. [Click here](#) for the Hybrid Schedules for [elementary](#) and [secondary](#) students to view the first semester schedule. Note that the calendars are the same, but the instructional day cycles are different as elementary students attend on a four-day cycle and secondary students attend on a six-day cycle. When attending school for in-person instruction, Hybrid Learners will follow the schedule listed on the Hybrid Calendars.

Thank you and WELCOME BACK TO SCHOOL!
