

School District of Haverford Township

Weed & Pest Control Information Sheet

For

All District Sidewalks, Curbs, Flower beds, Baseball / Softball Fields, Athletics fields

School/Building

All District Schools

August 31st – September 30th, 2020

Date of Application

This School District utilizes an Integrated Pest Management program, applying appropriate herbicide only when needed. Our applicators will select the most appropriate herbicide(s) from the following list of herbicides to control weeds identified during their inspections. Not every herbicide listed may be used.

List of Herbicides, which may be used:

<u>Brand Name</u>	<u>EPA Registration Number</u>
Lontrel	62719-305
Homeplate	67702-54-70051
GameUp	34704-1005
Surge	2217-867
Gallery	62719-658
Pylex	7969-327
Mojave	8192725
