

Sibling Subsidy Request For Families Enrolled in Grades K – 12 for the 2025 – 2026 School Year

The Bear Creek School's Board of Trustees strongly believes in the value of family and wishes to provide a sibling subsidy for all families with domestic students in grades K – 12 who need tuition assistance. Please carefully consider whether or not your family needs the sibling subsidy. Due to the limited nature of tuition assistance dollars, please request this type of aid only if you have financial need.

Currently enrolled families who submit this completed Sibling Subsidy Request to the Business Office by the reenrollment deadline, **January 30, 2025**, will receive the sibling subsidy(ies) as requested. Families new to Bear Creek may request this subsidy at the time they complete their child's enrollment.

- Current (returning) families are given priority for all forms of tuition assistance **if** they submit the required forms by the stated deadlines.
- **Returning families** with *application for admission pending for new siblings* should list the new sibling applicants (grades K and up) on this form.
- **New families** should list newly enrolled students (grades K and up) on this form.
