

Just for the Health of it!!

PROTECTION

REMEMBER THE 3W's

All school staff are required to wear a face mask that covers the nose and mouth.

- Face shields can be used along with the face mask.
- Wear face coverings correctly with a snug fit around your face
- Once your mask is on, don't touch your mask
- Take off your face mask carefully, only using the strings or elastic
- Wash your cloth face masks (reusable) daily with soap and hot water
- Clean face shields after use every day
- Don't share your face mask
