

Hi Tulsa Virtual Academy families,

I hope that you're enjoying these last days of summer! We are working diligently to prepare to return to learning with your children on August 31, and I wanted to reach out with some helpful links and resources to assist as you're getting ready for the first day of school.

- As a reminder, if you are receiving this message, your student is currently enrolled in the Tulsa Virtual Academy. If you need to un-enroll for any reason or if you would prefer that your child participates in distance learning with Tulsa Public Schools, you will be able to do so until August 31. You can find information about how to un-enroll as well as the differences between distance learning and the Tulsa Virtual Academy [here](#).
- Later this week, you will receive more information about your student's schedule and teachers. You should be able to access your student's 2020-2021 schedule in PowerSchool by late afternoon on Friday, Aug. 28. You may find the Back to School Week schedule for Tulsa Virtual Academy [here](#). This document will outline what the first week of school will look like for your student.
- If your student still needs a district-issued Chromebook, you should get that from your student's current school. This is the school that your student would be attending had they not enrolled in Tulsa Virtual Academy. Please contact that school for Chromebook pick-up dates and times. *(For example: if your neighborhood school is Memorial High School, but your student is on a transfer to Nathan Hale High School, they would get their Chromebook from Nathan Hale.)*
- If you were not able to join our Tulsa Virtual Academy informational Zoom calls, they are available to view [here](#) (in English) and [here](#) (en español).
- Don't forget to follow up on the [Tulsa Virtual Academy](#) Facebook page, as we will continue to post updates there.

If you have any questions or concerns, please don't hesitate to reach out to us at [virtual@tulsaschools.org](mailto:virtual@tulsaschools.org). I look forward to kicking off Back to School Week and getting prepared for a successful virtual school year!

Best,

Gina Wilson
