

## **Middle School Car Line Guidelines**

### ***Please DO:***

- Obey all traffic regulations
- Follow only the route prescribed on the map below, both in the morning and afternoon
- Have a sign in the window of your car that shows the name(s) of the child(ren) you are picking up
- Remember that there is only one entrance into the parking area and only one way to exit from the parking area
- Stop your car as close to the end of the portico when picking up and dropping off to allow others to enter behind you
- Stay in your car while you wait for your child
- Line up for dismissal in one line on Central Avenue, facing north only (Orange cones will indicate the beginning of the car line at the Brunswick Road intersection)
- Share this information with everyone who picks up your child
- Be polite and courteous to our neighbors and to fellow members of our community

### ***Please DON'T:***

- Wait on Brunswick Road for the car line to start
- Allow your car to idle
- Join the line on Central Avenue before 2:30 p.m.; if you arrive before that time, you will be directed to move your car and rejoin the line at the appropriate time
- Turn onto Brunswick Rd. from Central Ave. until permitted by the security guard
- Travel east on Brunswick Road (from Valley Road) and make a right turn into either driveway into the parking area (morning or afternoon)
- Ever enter the "Exit Only" driveway to the parking area
- Block neighbors' driveways or intersections; instead, yield as you approach them and wait for sufficient room to pull forward.
- Double-park cars at the curb on Central Avenue. Do not advance until you can clear parked cars. Do not block traffic flow.
- Park your car on car line and go into the building to look for your child
- Turn left when you exit the parking area
- Ask your child to meet you on Valley Road, surrounding streets, or anywhere other than the designated portico area
- Let frustration get the best of you
