

Mask Regulation
Greenwich High School 2020-21

Because we in the GHS community “care for self and others,” it is vital that we all follow proper precautions to stay healthy. One way we can do this, per CDC regulations and GPS District Policy, is to wear a mask properly. What does that mean?

If a student is not wearing a mask correctly:

Scenario One	Scenario Two	Scenario Three
<ul style="list-style-type: none"> • Ask the student to ensure the mask is covering the mouth and nose • If a student complies, no further steps 	<ul style="list-style-type: none"> • Ask the student to ensure the mask is covering the mouth and nose • If a student does not comply, the teacher will call security (8838) or the House Assistant Dean • House Assistant Dean to speak with student and follow-up with a phone call home 	<ul style="list-style-type: none"> • If a student still does not comply with a request to wear a mask, the student will be referred to the House Administrator • The House Administrator makes a phone call home to inform the parent that the student must comply. If the family refuses to comply, the student will be sent home immediately. • If this happens again, the student will go on remote learning until they agree to comply with a mask policy • A re-entry meeting will be scheduled
