Dear Parent/Guardian:

The Fairfield Public Schools provides parents and guardians with website access with which to manage your child's school progress, communicate with teachers and insure the district has the most up to date information regarding your family.

In order for you to create your parent/ guardian login to access this system, you will need your unique activation code. Please note each parent/guardian will have ***their own unique login***, one that will provide you with access to all of your students enrolled in the Fairfield Public Schools, whether you have one or five children enrolled. This login will remain the same throughout your child's or children's enrollment in the Fairfield Public Schools.

Please use this login address (which can also be found on our district website, [www.fairfieldschools.org](http://www.fairfieldschools.org))  
<https://campus.fairfieldschools.org/campus/portal/fairfield.jsp>

To create your user name and password (*on a laptop or desktop, cannot create on cell phone*)

1. Click on the "click here" following the words: "*If you have been assigned a Campus Portal Activation Key*"
2. Enter the activation code found below on this letter
3. Create your username and password

There is also an Infinite Campus parent/student app that may be added to your smartphone which is available from iTunes, Amazon and Google Play. The current "District ID" to use this app is available by searching for "Fairfield" on this website:
