

September 2020

Dear students,

As you prepare to return to campus please be reminded that every student will be issued a numbered Abbey day pack, practice jersey, laundry loop, 2 Abbey gaiters and water bottle. This is your personal gear and will enable you to be prepared for practices, clinics, workouts in the fitness center and recreational activities.

You need to bring all your personal athletic gear for each of the 3 seasons and pack insect spray (wipes are great), sunscreen and hand sanitizer. It will all go into your Abbey pack!

See you soon.

Be safe,

Mr. Brown
