

Technology Acceptable Use Policy – Primary (Student)

As a student in the Primary grades (TPS – CM2) at Rochambeau I will follow the rules below:

1. I will follow my teachers' and parents' rules when using technology at school or at home
2. I will never share my password with another student
3. I will use school computers, iPads, and other technology tools provided by Rochambeau for schoolwork only
4. I will give my iPad to my teacher or IT Department when requested
5. When I use email or other tools to talk with my teachers or classmates, I will always be kind and respectful
6. I will tell my teacher or parent right away (if at home) if the technology I am using is not working correctly
7. I will put my iPad in a safe place when I am not using it. Safe places include your desk, the iPad cart, or a desk or table at home
8. I will follow any additional rules that my teachers require me to follow at school or online

iPads (Grades GS – CM2)

When I can take my iPad home:

1. I will never allow anyone else to use my iPad
2. I will never remove the iPad from its case
3. I will charge my iPad every evening to be ready to use for my schoolwork
4. I will not add any personal accounts to my school iPad (email, etc.)
5. I will never use my iPad to create, send, or view inappropriate content
6. I will follow my teacher's rules about participating in classes online, including muting my microphone, showing my image, and participation

I will use technology at Rochambeau to fully participate in my classes at school and at home. I will use school technology for Rochambeau school activities ONLY.

Have a great year!
