Dear Parents and Carers,

Welcome back! It seems like a very long time ago that schools closed their doors in March, but I am delighted to welcome you all back today. It was great to see so many smiling, excited faces this morning. Thank you for all the hard work you have done to support your child's wellbeing and learning over this unusual period of time.

I want to take this opportunity to introduce myself as Colnbrook's new Headteacher. I am very proud to be leading our school and I am looking forward to getting to know, and working with, you and your children.

Throughout my career I have had experience of teaching a range of primary year groups, spending most of my time in Year 2 and Year 6. I have worked as a SENDCO, leading special educational needs provision before moving schools to become a Deputy Headteacher in a junior school just outside of Reading. I am joining Colnbrook with a wealth of experience in primary education and I am looking forward to working with you and the staff to make our school even better than it already is.

A successful school relies on the effective partnership between the school and families. My team and I want the best for every child and, working together with you, we can make this possible. We are here to listen and help in any way we can. In 'normal' times I would invite you to come and meet me in person, but due to current restrictions that is not possible. However, please come and chat when you see me out on the gates – I have attached a photo so you know who to look out for!

Finally, thank you for your ongoing support and understanding with the extra measures we have in place while we continue to live with the coronavirus pandemic. I will write to you all in the coming weeks to give you an update on what we are doing and inform you of any changes we need to make to our plans.

Here's to a safe, happy and successful year.

Yours sincerely,
