

LEARNS WITH CANVAS

Canvas is an easy-to-use, cloud-based platform that hosts all necessary digital learning resources and tools in one place, and it supports real-time instruction through Google Meet and other video conference programs. Canvas provides a reliable integrated system for teachers to connect with students, deliver instruction, assign independent learning activities, conduct assessments, and easily communicate with students and families. For consistency across all grades and learning methods, Canvas will be used in both the Hybrid and Remote Learning Models.

For more information, including information on parent app access, please click [here](#).

Please note, if students are using a District Chromebook, once logged into the Chromebook, students simply need to open the Chrome browser and they will be redirected and logged into Canvas. If students are using personal devices, they must navigate to bwschools.instructure.com and log into Canvas using their Gmail accounts (i.e. 21BaldwinB@bwschools.net) and use their Skyward passwords. If a student has a District assigned Chromebook, then they should use this device for all classwork.

Chromebook Handbook Form for All Students in Grades K-12

Families are asked to sign off on the Chromebook handbook form on an annual basis. This form can be found in Skyward's Family Access portal. For more information about the 1:1 program, please click [here](#).

Optional Protection Plan for Chromebooks for All Students in Grades K-12

This year the District is only accepting electronic payments for the protection plan. This is the same system that is used for meal payments with the food services department. Click here for Directions for new e~funds users. Credit card and check payments are accepted via e-funds.

Skyward Student Access

Skyward remains the District's student information system. Students' usernames and passwords are the same as what they used during the 2019-2020 school year. The user name format is "last two digits of graduation year, last name, first initial". (Example: 21BaldwinB, for Betty Baldwin, a senior.) For login issues, please contact the main office at your child's school. Parents and guardians of students who attend Baldwin High School should contact the guidance office.

Skyward Mobile App

Students in grades 7-12 are encouraged to download the Skyward app on their mobile devices to monitor their grades but also for use in the cafeteria as cash and checks will not be accepted as payment methods this school year-only e~Funds. To make a deposit to your e~Funds account, visit this site, click [here](#). Students can also use district issued ID cards if they prefer not to use their mobile devices. The Family Access Mobile App for iOS and Android can be downloaded by clicking on the links.

This document can also be found on the District's Back to School page on bwschools.net.

Skyward Account	Google Account	Canvas Account
Graduation Year, Last Name, First Initial Password: Mailed Home Example: 21BaldwinB	User Name: SkywardUserName@bwschools.net Example: 21BaldwinB@bwschools.net Password: Same as Skyward	User Name: Same as Google Account Example: User Name: 21BaldwinB@bwschools.net Password: Same as Skyward
