Mission Statement

Committed to academic excellence, Community School of Naples inspires and empowers students to realize their own potential as engaged learners and responsible global citizens.

COVID-19 STATEMENT: CSN moved to distance learning in March 2020.

Students received standard letter grades for the remainder of the 2019–2020 school year. We returned to on-campus learning at the beginning of the 2020–2021 school year, with significant safety protocols in place. A small number of students remain off-campus utilizing our At-Home Learning (AHL) system. These students attend class virtually and synchronously, with the same schedule as their on-campus peers. Academically, we made no other accommodation to the COVID-19 pandemic.

SCHOOL

Established in 1982, Community School of Naples is the largest independent, nonsectarian school in Southwest Florida. The Upper School was established in 1992 and graduated its first senior class in 1996. One hundred percent of its seniors attend selective four-year colleges.

STUDENT BODY

CSN students represent diverse economic and social backgrounds, and 19% of the student body receives tuition assistance. Total tuition assistance is \$3,314,172. The student body includes students from 20 countries outside of the United States, and students with diverse backgrounds comprise 17.4% of total enrollment. The total enrollment of CSN in 2020-2021 is 870, including:

- Upper School (grades 9-12): 346 students.
- Middle School (grades 6-8): 207 students.
- Lower School (grades PK-5): 317 students.

FACULTY

The faculty is comprised of 101 teachers and administrators who also teach. Of the 41 members of the Upper School faculty, **81% hold advanced degrees**. The average student/faculty ratio is 8:1 (Upper School).

ACCREDITATION & MEMBERSHIPS

Community School of Naples is fully accredited by the Florida Council of Independent Schools. CSN is also a member of professional organizations including:

Association of College Counselors of Independent Schools • CollegeBoard • The Cum Laude Society • National Association for College Admission Counseling • National Association of Independent Schools • School & Student Services by NAIS • School Year Abroad • Secondary School Admission Test Board • Southern Association for College Admission Counseling

NOTEWORTHY OPPORTUNITIES AT CSN

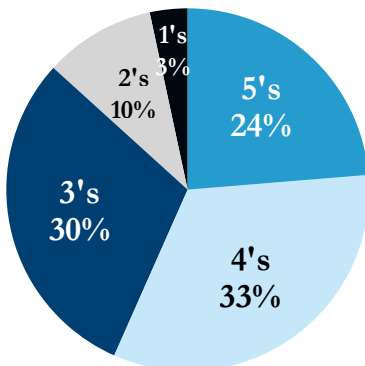

- **At-Home Learning (AHL)** Students can choose to learn from home, and are afforded the opportunity to receive the same class experience as their on-campus peers.
- **CSN Scholars Program** enables students to specialize in one of four areas: Creative, Human Performance, Global, and STEM. Students who successfully complete all requirements of this program receive special designation on their transcripts.
- **AP Capstone Program**, involves taking AP Seminar and AP Research, it is a rigorous program designed to equip students with argument-based research and writing skills.
- **Junior Experience** is a two-week program at the end of junior year (did not occur in May 2020). In week one, students complete an Outward Bound course in the Blue Ridge Mountains of North Carolina, where they learn and practice the skills of leadership, compassion, and self-reliance. In week two, students participate in Career Bound, which is the opportunity to job shadow in a student's chosen profession.

ADVANCED PLACEMENT: May 2020

Of the Class of 2021, 96% of 4-year CSN students will have taken at least one AP course at Community School of Naples. In May 2020, 213 students took 593 Advanced Placement Exams.

CSN has an open enrollment policy for most AP courses. Students enrolled in an AP course must take the AP Exam in order to receive AP credit and weighting on their transcript.
