Food Services Announcement

Moving into the new school year, Chartwells will be offering grab-and-go breakfast and lunch to all students at no cost, regardless of their eligibility status. Pick up locations will be at your student's school daily. If you have students in multiple schools, you will have the option to select one pick up location. Meals will be distributed only on days learning instruction is provided.

- High School and Middle School Pick Up Between 10:00am through 12:00pm
- Elementary School Pick Up Between 10:30 and 12:30pm

Meal distribution on September 3rd and 4th will continue as it had over the summer months with pick up locations only at JP Stevens High School and Edison High School. Starting the week of September 8th, we are requesting that parents complete an online ordering form for each student which is posted in the parent portal. Please note, these forms will need to be completed on a weekly basis and submitted no later than the Monday of the prior week. Although, the first order form for the week of September 8th through September 11th will need to be submitted by Thursday, September 3rd.
