

School Site Council:

“A committee to improve our school and our role
in the community”

School site councils provide a great opportunity for parents, teachers and principals to come together both to share ideas and resources and to shape the direction their school will take to strengthen teaching and learning.

***We are currently seeking volunteers to join. If you are interested or would like more information, please call Vicente López a 760-848-1455 (vicente.lopez@cvusd.us)**
