Family ID

FamilyID is a secure registration platform that provides an easy, user-friendly way to register for programs. When you register through FamilyID, the system keeps track of your information in your FamilyID profile so you enter your information only once for multiple uses, multiple family members and multiple programs.

All registration will be done online during the "open registration" period. Athletes will not be allowed to play or practice until all information has been completed in the registration process.

BEFORE YOU REGISTER

PHYSICAL EXAMS:
A physical exam must be current within the past 13 months and signed by the physician. If the student's physical expires during the season, they will not be able to play until a new physical exam is received. Please make sure the nurse has an up to date physical on file in the nurse's office. Physicals are offered yearly in the month of June at no cost. Please take advantage of this opportunity offered at Region 14.
