A Message from Ms. Nagel

Principal

I feel so honored and blessed to be given the opportunity to start my 5th year with the Lompoc Unified School District and 3rd year as the Crestview Elementary Principal. This is my 22nd year in education and I am excited to continue as the Principal of the school on Vandenberg Air Force base. I have much respect and high regard for the military, as I am a daughter of a retired military father. My dad was Captain in the Navy Reserves serving 31 years, and a Colonel in the Army National Guard, serving 7 years. We lived on the Navy Base in Honolulu, Hawaii, for three years when I was a young child. I really enjoy the strong sense of community and family that the military base provides.

My years in education include teaching all grades, Kindergarten through sixth. I have also been the Induction Coordinator for the Simi Valley Unified School District and Mentor/Field Base Supervisor for new teachers. I have led many Professional Development

I enjoy reading, learning, spending time with my family and teaching.

Ms. Rogers

Hi, my name is Ms. Rogers and I am honored to be teaching at Crestview!

I have been teaching in Lompoc Unified School district since 1992. I have taught all elementary and middle school grades, except kindergarten. I'm currently teaching 5th grade and I LOVE IT!

I grew up in sunny California. I love to travel, dance and spend time at the beach. I have a Havanese puppy named Roxy. I also love to read and spend time with friends and family. My current personal goal is learning to speak Spanish. It's such a pleasure to be here at Crestview!

workshops for teachers and taught credential candidates at UCSB, writing strategies. At the start of my career in Lompoc, I was here at Crestview as the Academic Dean and the year after that, I was the Assistant Principal at Vandenberg Middle School.

I believe all students can learn, and learning comes through our mistakes as well as our successes. We are all on this journey called, "life" and I am grateful to be on the road with you here at Crestview. I am looking forward to another great year together, getting to know every child and adult that comes on campus, or through the live Zoom lessons, and Zoom meetings that we might have.

Ms. Hill 5th Gr.

Hi! My name is Emily Hill, and I teach 5th grade at Crestview!

I was born and raised in Davenport, Iowa and attended Iowa State University, where I earned my bachelor's degree in Elementary Education. After teaching for five years in Iowa, I moved to Lompoc to escape the Midwest weather extremes! This is my third year teaching in LUSD and my 8th year teaching in all.

When I'm not teaching, I'm usually drinking coffee, watching Netflix, or at the beach! (Usually at least two of those at a time) 😊.

I have two sweet dogs (Carver is a coonhound and Bruce is a chihuahua) and two guinea pigs. I'm a very proud fur mama!
