

COVID-19 Self-Screening

Staff and visitors must participate in a daily COVID-19 self-screening (series of questions). When Hybrid or In-Person learning models are in place, parents/guardians are to perform a daily COVID-19 check on their student(s) to determine if their child can attend school. Please refer to the following checklist:

COVID-19 Student Daily Return to School Checklist*

- I understand that prior to my student returning to school on-site, I am required to verify that they are not exhibiting any of the following symptoms associated with COVID-19:
 - Fever greater than or equal to 100.4 degrees F
 - New onset and/or worsening cough
 - Difficulty breathing
 - New loss of taste or smell
 - Sore throat
 - Nausea
 - Vomiting
 - Diarrhea
 - Chills
 - Muscle pain
 - Excessive fatigue
 - New onset of severe headache
 - New onset of nasal congestion or runny nose

- My student has not been in close contact (within 6 feet for 15 minutes or longer) with anyone in the last 14 days who has been quarantined or isolated due to COVID-19.

- My student has not been advised by any medical provider or health authority that he/she may have been exposed to COVID-19.

- I understand that in the case that I am notified that my student may have been exposed to COVID-19 or starts to exhibit any of the symptoms above while at school, I will immediately pick-up my student when contacted by school administration.

- Per the governor's executive order, I understand that my students (Kindergarten through 12th Grade) are required to wear a face covering over the nose and mouth.

- I will immediately notify my building principal if I am unable to confirm any of the above for my student.

*Please note that the checklist is subject to change, per updated information from public health officials.
