

NEA Parent Pick-Up - September 2020

Our goal is to dismiss students as safely and securely as possible.

Pick-up will run from 3:05 - 3:30.

You may arrive at any point during that time frame.

Instructions:

- 1. Ensure that adults picking up NEA students are listed within our system, or a written note was sent to school in the morning with the name of the adult who will be picking up the student.**
- 2. Enter the NEA parking lot through the second entrance (like past years).**
- 3. Drive up and stop at the sign/cones that designate the first car or wait in line behind the cars that are present.
DO NOT park in the parking lot.
DO NOT get out of the car.
DO NOT pass others while waiting your turn.**
- 4. Have your ID ready to present to NEA staff.**
- 5. Staff will escort students out to the car - please exit the pick-up area once students are safely buckled into the car. Staff will not be assisting with car seats or buckles.**

We anticipate a high volume of cars during parent pick-up. Your patience and cooperation will help us to become efficient in our new pick-up procedures!

Thank you!
