

For Northshore Families: Logging into Clever and Schoology

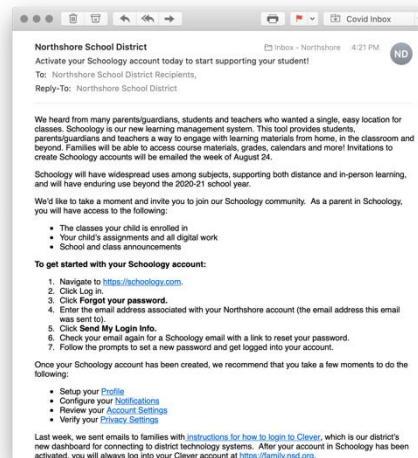

Clever: Clever is our District's new portal system. All parents and students have an account in Clever to help them get connected to all the other systems we will be using. Students and parents log into Clever differently. Parents log in at <https://family.nsd.org> and Students log in at <https://my.nsd.org>.

Schoology: Schoology is our district's new Learning Management System. It replaces systems that were used last year to distribute class assignments and learning materials, such as Google Classroom. All parents have access to an account in Schoology to monitor student progress, view course materials and assignments, and communicate with teachers. You can access Schoology once you are logged into Clever.

You should have received an invitation from Clever and an email about getting started in Schoology. If you did not receive these emails, follow the instructions in the box below under Step 2.

This is the Clever email.

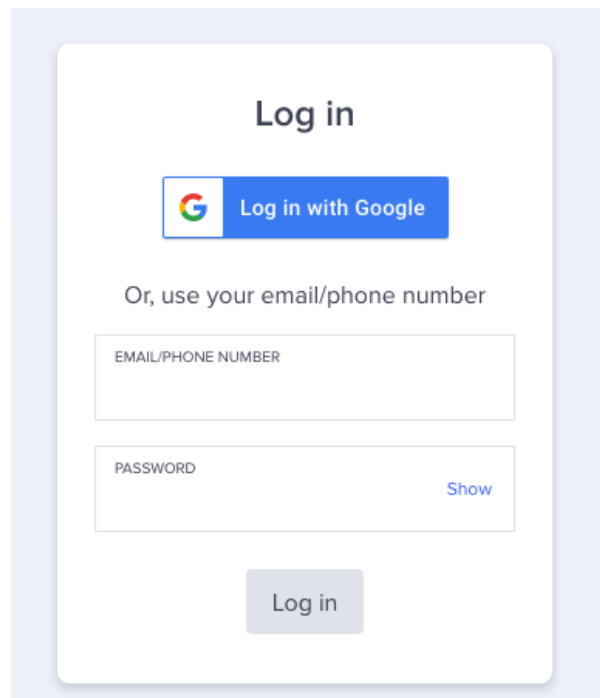

This is the Schoology email.

1. Go to <https://family.nsd.org>

Do not use “Log in with Google”. You already have an account associated with Northshore and should use the email and password boxes to log in.

2. Use your email associated with your Northshore account.
 - a. You should have received an invitation from Clever. If you did not, click on the “Reset Password” and enter the email associated with your account. An email will be sent with password reset information.
 - b. If you do not receive an email within 48 hours contact your school office. They may need to help you edit your information in Synergy, our Student Information System.

3. You will see buttons for ParentVUE, Schoology, and other district systems.

Click on the “Schoology for Parents” tile to log into Schoology.

This is where you will see your name and the connection with your student(s).

If you have trouble logging into Schoology, please contact your School.

Using Schoology

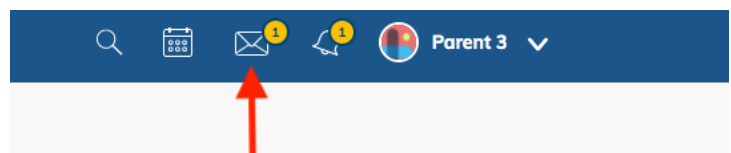

Use the navigation on the right to move between your account and your student(s).

You will be able to click on a student to see their calendar, assignments due, and their courses.

A green check mark indicates the student or account you are currently viewing.

To check your messages in Schoology, click on the envelope icon.

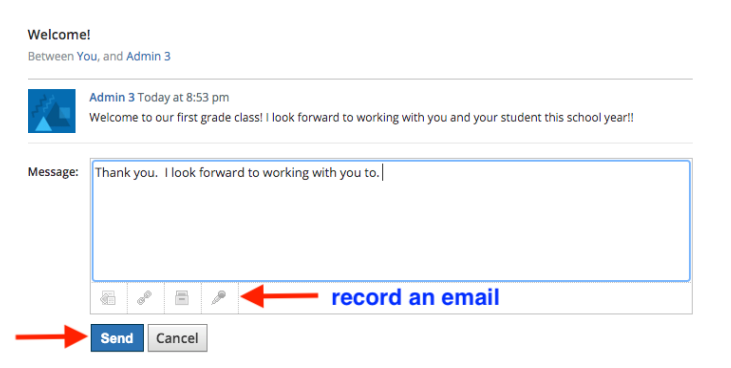

To see a student's calendar events and assignments, click on the student name and click the calendar icon.

You can also send and receive messages. Open your email and send or reply to messages.

You can do this by typing or by recording a video message. To record a message with audio/video, click on the microphone icon.
