

WEEK OF: SEPTEMBER 7, 2020

CLASS: Pre-Engineering

TEACHER: Mr. Bouvier

CONTACT INFO:

Devon.bouvier@thedeltahighschool.com ; (509) 416-7860 EXT. 5917

OBJECTIVES:

This week in engineering students in all blocks will start to work on writing a proposal letter for Genius Hour. The letter will be explaining what project the student is planning on working on for the next ten weeks. In the letter students will explain their passion and give me the information needed for project approval.

YOUR ASYNCHRONOUS RESPONSIBILITIES BEFORE ZOOM LESSON #1:

On Teams I will be posting a couple example projects from Years past. I will also be linking the YouTube page that you guys will be getting informational videos from. This week will be a new video presenting what a proposal letter should look like.

YOUR RESPONSIBILITIES AFTER ZOOM #1:

After the first Zoom all questions clarifying Genius Hour should be answered. At this point all students should have an idea about what they're going to do for the project as well as a base knowledge in proposal letters.

YOUR ASYNCHRONOUS RESPONSIBILITIES AFTER ZOOM #1:

Start to write your proposal letters.

YOUR ASYNCHRONOUS RESPONSIBILITIES BEFORE ZOOM LESSON #2:

Check out a couple more Genius Hour examples and see Proposal letter examples.

YOUR RESPONSIBILITIES AFTER ZOOM #2:

Finish and submit proposal letter by 9-13-20
