Time Allocated	Person Submitting	Topic	Details:
----------------	-------------------	-------	----------

10:00am	5 mins	Brian/Mary/Greg	<p>Introductions</p> <p>Schedule and Meeting Structure</p>	<p>New member- Mark Krueger (Secondary Innovation Center) there will be a few individual additional members as we back-fill positions</p> <p>First meeting regular meeting is Sep11, all meetings are digital in Teams. Schedule will rotate every four weeks, 7:00am</p>
10:05	5 mins	Mary	<p>Update on One-to-One</p>	<p>Working on laptop deployment for teachers-currently almost ready but need the how to log into devices</p> <p>No technology being handed out currently except distance learners, there will be an opportunity to get 6-12 one-to-one but there is a delay due to supply and demand. Also, need a more robust wifi installed. (not public yet) Then devices in secondary can be shifted for elementary use until next year.</p> <p>Distance Learning-need to figure out how to teach technology to students at home.</p>
10:10	10mins	Brian	<p>Technology Platforms Utilized in the District</p>	<p>Tech committee will work with curriculum and staff development to create the list of district supported systems for technology</p>
10:20	10 mins	Greg		
10:30	5-10 mins	Anyone	<p>Questions/Comments</p>	<p>Can student devices be brought in for classroom use- YES</p> <p>Schoology can be directly linked to Skyward but grading categories need to be set in Skyward before assigning content in Schoology.</p> <p>Lockdown browser in Schoology- we should have it and a video will be either made or found to instruct staff</p>
