

## **Marlborough School Admissions Community-Based Organizations**

Marlborough partners with the following community-based organizations as we further our work towards becoming a more diverse, equitable, and inclusive community.

### **Private School Village (PSV)**

PRIVATE SCHOOL VILLAGE

The Private School Village (PSV) builds community by organizing social events, sharing resources, and providing programs for Black/African-American families in independent schools (K-12). For more information about Private School Village, please click the link above.

### **Young Eisner Scholars (YES)**

YES identifies promising students from underserved communities and equips them with the resources, support, and academic skills required for success through high school, college, and career. For more information about the Young Eisner Scholars, please click the link above.

### **Independent School Alliance**

IndependentSchoolAlliance

OPENING DOORS TO GREAT FUTURES

It is the mission of the Independent School Alliance to inform members of racial communities presently underrepresented in independent schools of the option of independent school education; to identify applicants from these communities and assist them in the application process; to provide ongoing support programs for students and their families' and to act as a resource to member schools assisting them in their individual efforts to address issues of racial diversity and multicultural education. For more information about the Independent School Alliance, please click the link above.
