## **Welcome Back Newsletter Fall 2020**

Welcome new students! Welcome back returning students! It is hard to believe that summer vacation has drawn to a close and the start of another school year is here. Though there are a lot of changes and uncertainties regarding the 2020-2021 school year, there is no doubt that the Lodi Counseling Team is working hard ensure that all students will have an enjoyable and successful academic year.

We are excited to announce that we have an addition to our outstanding team. Please join us in welcoming Adria Schroeder, Student Services Coordinator 6-12.

### **Grading**

Grading will no longer be pass/no count; instead, grades will be recorded on a straight block basis with letter grades. Students and guardians are encouraged to check the Infinite Campus Grade Portal on a consistent basis to track their academic progress. We encourage students and guardians to contact teachers, the counseling team, or administration with academic concerns.

### Schedule Changes

Mrs. Hendricks and Mr. Lembcke will no longer be doing changes to 1<sup>st</sup> quarter schedules. Students who wish to discuss 2<sup>nd</sup> quarter and 2<sup>nd</sup> semester schedule changes will be able to do so after the first week of classes.

The counseling team is excited about the beginning of the upcoming school year. We are also anxious like many of you with all of the changes that we are trying to navigate during the COVID-19 pandemic. We are hopeful that we will have a positive 2020-2021 school year!
