Dear Woodbury Middle School Community,

The administration and athletic director at Woodbury Middle School believe strongly in the positive benefits of exercise and competition. After much discussion and truly weighing all of the logistical issues concerning the middle school athletic program, it has been decided to cancel the Fall 2020 sports season. We assure you that this decision was not made lightly or in haste. Several middle schools in our area either have canceled or are operating on a very abbreviated season, which we are told still may change. In conjunction with the administration, coaches, and athletic director, we discussed our hybrid & cohorting model. We are investigating a plan to offer athletic opportunities that follow the Department of Public Health and the Center for Disease Control and Prevention in the fall. We will get that information out to you as soon as it becomes available. We hope that you and your child(ren) are excited about the upcoming school year.

Go Warriors!
