

3 September 2020

Dear Parents

We are really fortunate to be working with a company called Business2schools who put companies who may be upgrading office furniture and equipment in touch with local schools who may be interested in such equipment. St Peter's has so far been lucky enough to receive all sorts of furniture to enhance our school environment such as sofas for use in book corners, chairs, tables & staffroom equipment and learning resources. We hopefully have much more to come and we are so very grateful to Business2schools for helping us save thousands of pounds at our school.

Business2schools have enabled us to receive a large donation of new women's clothes which we are able to sell to parents. The clothes are mainly from Wallis and Evans and are sized from size 6 upwards, however there are not many clothes in a size 12/14.

The SPSA have agreed to hold a clothes sale for parents on Friday 18th September at 2.30pm on the top playground. Payment will be by card only and please bring your own bag. There will not be the opportunity to try clothes on, however, if you find that a purchased item does not fit, there will be an opportunity for you to return the item for a refund. Clothes will be sold at less than 1/3 of the retail price.

Items such as lingerie, hosiery and swimwear cannot be returned for hygiene reasons.

We will be expecting parents to social distance and will provide hand sanitiser to use before and after touching the clothing.

In the event of inclement weather, the event may be postponed.

Kind regards

Caroline Barriball & Samantha Sandle
