

Monday 10th July 2020

Dear Parents and Carers,

Welcome to Year 6! We are really excited for you all to come back and start the new school year with us. As we will not be able to meet all of you before September, we have included some information about the learning we will be covering below.

The topics Year 6 will be covering are:

	Autumn	Spring	Summer
Topic (Geography or History based)	WW2 (History)	Earth Matters (Geography)	The Mayans (History)
Science	1. Electricity 2. Light	1. Evolution and inheritance 2. Living things and their habitats	1. Animals (including humans) 2. Science of sport

Please note that our English lessons will be linked to the termly topic.

Our class reader for the Autumn term will be 'The Emergency Zoo' by Miriam Halahmy, which is set during World War 2 in Britain. You may want to purchase a pre-owned copy of this book for your child to use in class but this is not compulsory. Please also note that children are not required to read the text before term begins, however, may do so if they wish.

In September, your child will be required to bring in their own pencil case. This should consist of the following items and be checked regularly to ensure that items are replaced if broken/finished or missing.

Equipment required: pencil, rubber, sharpener, ruler, glue

We look forward to welcoming you and your children back to school in September.

Yours sincerely,

Mrs Smith (6S and Y5/6 Phase Leader) and Miss Couch (6C)
