Limited Licensed Professional Counselor – 127 Telemedicine

Telehealth is modality of service using telecommunications and information technologies.

GT: Telehealth services provided “via interactive audio and video telecommunications systems”

AO: Telehealth services provided “via interactive audio telecommunications systems ONLY”

SERVICE DETAIL (DAILY):

1. Reference each type of service claimed including assessments and participation in the multi-disciplinary team assessment
2. Describe what actually occurred on the date of service. Ensure that the Service Detail Note (daily note) is sufficiently detailed to allow reconstruction of what transpired for each service billed.
3. Indicate the result of the therapy session (student’s response).

Example of Service Note Detail: 9/15/18 – Student was able to talk about a situation with a peer that made him angry and how he was able to diffuse his anger.

***Add to your note “Services were provided (location of service) during the COVID-10 shutdown”**

MONTHLY SUMMARY (PROGRESS) NOTES:

1. Summarize (evaluate) the student’s monthly progress toward your medical/health related goal.
2. Include any changes in medical/mental status and changes in treatment with rationale for change.
3. Service Detail (Daily) Notes and Monthly (Progress) Summary Notes must not match.
4. Must enter supervisor’s name from drop down before you can submit.

Example of Summary Note: Student has shown an increase in displaying appropriate social, emotional and behavioral skills this month, particularly with his peers.

RECORD KEEPING: Keep copies of all supporting documentation related to this service for a period of 8 years (FY+7) regardless of change in ownership or termination of participation in Medicaid.
