Fall Drive-Up School Portraits

El Toro Health Science Academy Drive-Up School Portraits this year are **September 21st thru 25th**. *If for some reason your child misses their day, please bring them on one of the other days at 8am.*

This year's Fall Portraits will be done in a "drive -up" manner. Parents will drive their student to the designated drop off location where they will be met by their teacher, and directed to the waiting location. Students must wear a mask while in line and waiting. The line will be limited to 6 students at a time who will stand at pre-designated (socially distanced) markers. Once they are finished, they will be directed back to their car.

To help make this process run as smoothly as possible, please be on time and have your child's face clean and ready for pictures.

Please complete the order form ON THE REVERSE SIDE and staple payment (check or cash) to the order form. Have your student bring the order form with them and hand it to us or their teacher on picture day. Please make checks payable to "Michele Gunsky".

If you have more than one child attending El Toro Health Science Academy- please complete one order form for each child, but you may write one check. Please staple all orders forms and payment together before turning in.
