

Volunteer Coach Information

All volunteer coaches for Widefield Parks & Recreation are required to complete a background check through Widefield School District 3. The background check process serves as the volunteer application. Volunteers will receive information from the Widefield Parks & Recreation Youth Sports Department with instructions on completing the background check, following registering as a coach. Background checks will remain confidential. Individuals will not be allowed to volunteer until a background check has been completed and approved by Widefield School District 3 Human Resources and the Director of Widefield Parks & Recreation. Any arrests and/or convictions may disqualify an individual from volunteer coaching with Widefield Parks and Recreation.

Questions, please contact Widefield Parks and Recreation at 719-391-3515.
