

1 Sign In

Your login page is a custom page specific to your school organization. Sign in by using your network login username (Student ID) and password. If you forgot your password please contact your teacher or school.

2 My Apps

The **My Apps** screen is where all of your online resources will be located. If required, enter your username and password once and ClassLink will remember it for you!

3 Edit Passwords

Right-click on an application and choose **'Edit Password'** to update or change your stored username and passwords for your applications.

4 App Options

Right-click on an application to access its menu options in order to add it to the Favorites Bar, to a folder, to add tags, or to auto-launch it.

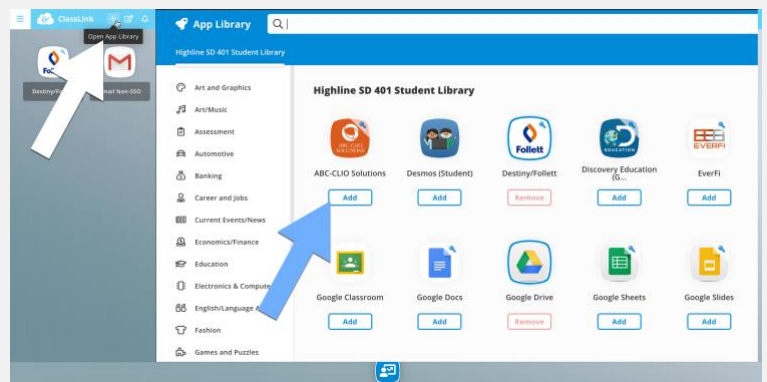

5 Edit Mode

To go into **Edit Mode**, click the paper and pencil symbol on the top left of your screen. While in Edit Mode, you can create folders and customize your My Apps screen.

6 Add Apps

Click on the **+** button to **Open App Library**. Here students can search and add additional apps to their launchpad. Some teachers may ask that students add additional apps to their launchpad base on their school or class needs.

7 My Profile

Here is where you change your themes & colors, access your password locker, sign in with options and password recovery options, if available.

8 My Files

My Files allows you to connect other cloud drives in ClassLink to access all of your files in one location. If connected, your School Network Drive can be accessed as well.
