# "Learning Together Online" Assignment

Dear Boys' Latin Families,

In preparation for online learning, all students will complete a series of assignments titled, "Learning Together Online." The purpose of these lessons is to prepare students for a successful year of online learning. They will cover the following topics:

1. Learning Together Online & Chromebook Care
2. Navigating Schoology
3. Google Slides
4. Google Docs
5. Zoom
6. Email & Other Tips

These assignments are mandatory and will count as one of students' first grades in all classes, as online learning skills are a crucial component to students' success in each course. Please note:

- "Learning Together Online" will open today, Wednesday, September 9. It is **due Friday, September 18**. It is recommended that students complete the module before Monday, September 14, our first full day of school.
- Please anticipate that this course will take **4-6 hours**. It is recommended that students complete 1-2 lessons per sitting.
- These lessons will be completed **asynchronously**, meaning students can log on any time during the assignment window to complete their work.
- Students may attempt any quiz within these lessons **twice**.

**To access this asynchronous course**, students must join their grade level cohort on Schoology. Please find the **access codes** and **step-by-step directions** on page 2.

We appreciate your support in ensuring our student have the best online learning experience possible. Please do not hesitate to reach out to **any of your Warrior's teachers** with questions and concerns.
