

## Instructional Stages

### Stage 1

#### All Students

#### Learning Remotely

- Student instruction fully online five days per week according to RSD Continuous Learning 2.0 Plan
- Instructional staff working on-site or remotely
- Grab-and-go student meal program
- Health assessments, facial coverings and physical distancing required for any onsite activities

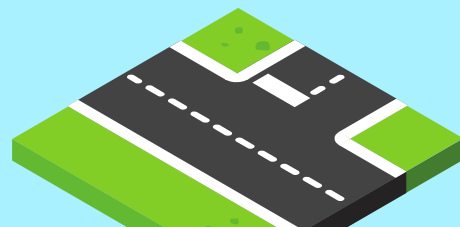

### Stage 2

#### Most Students

#### Learning Remotely

- Special education and at-risk students receive in-person learning and services as determined by need. All other students continue remote learning online five days per week according to RSD Continuous Learning 2.0 Plan
- Instructional staff working on-site or remotely
- Grab-and-go student meal program
- Health assessments, facial coverings and physical distancing required for any onsite activities

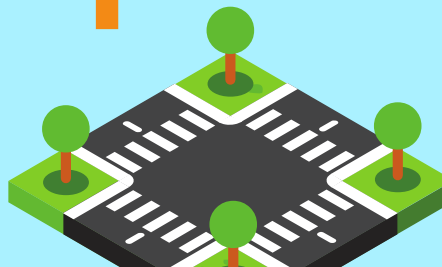

### Stage 3

#### Most Students

#### Hybrid Learning

- Most students participate in a mix of in-person and remote learning online.
- Richland Virtual School continues with online learning five days per week
- Grab-and-go student meal program and school meal program
- Health assessments, facial coverings and physical distancing required for any onsite activities

### Stage 4

#### Most Students

#### Learning In-Person

- Students attend in-person learning each school day
- Richland Virtual School continues with online learning five days per week
- Grab-and-go student meal program and school meal program
- Health assessments, facial coverings and physical distancing required for any onsite activities
