Biography

My name is Kristi AuenSmith. I came to the Rio Grande Valley from Iowa in 1999 to teach Theater Arts. I received a Bachelor of Arts Degree in English with a minor in Speech Communication/Theater Arts from the University of Northern Iowa Teacher's College in 1989 and began my career teaching English and Speech, but have grown passionate about the opportunity STISD has given me to inspire young people to find and share their voice through the arts.

I teach Theater I at STPA and Theater I, II and III at our IB campus, STWS.

I live in McAllen Texas with my husband Richard and son John whom I am proud to say is a product of the STISD schools and will be graduating from World Scholars this year. We enjoy camping, fishing and relaxing by the water with our two dogs, JD and Itty Bit.

Kristi.
