

## 1. Principles

- 1.1 Academy buildings and grounds are regarded as a community asset and every reasonable effort will be made to enable them to be used as much as possible. However, the overriding aim is to support the academy in providing the best possible education for its students, and any lettings of the premises to outside organisations will be considered whilst keeping this in mind.
- 1.2 The academy's delegated budget (which is provided for the education of its students) cannot be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the academy in respect of any lettings of the premises. As a minimum, the actual cost to the academy of any use of the premises by an outside organisation must be reimbursed to the academy's budget.

## 2. Purposes

- To provide clear guidance on lettings and the hire of academy premises and equipment
- To enable community and lifelong learning access to the academy site and premises
- To promote the use of the academy's facilities by the wider community
- To safeguard the interests of the Academy
- To ensure that the out of hours use of the academy site is not subsidised by the academy budget and is sustainable

## 3. Guidelines

### 3.1 Definition of a Letting

- 3.1.1 A letting may be defined as "any use of the academy premises (buildings and grounds) by either a community group or an individual or group of individuals, or a commercial organisation.
- 3.1.2 Lettings will not be made to persons under the age of 18, or to any organisation or group or individual with an unlawful or extremist background or to anybody to whom the academy does not wish to hire the premises.
- 3.1.3 A letting must not interfere with the primary activity of the academy, which is to provide a high standard of education for all its students.
- 3.1.4 Use of the premises for activities such as staff meetings, parents' meetings, and extracurricular activities of students supervised by academy staff, fall within the corporate life of the academy. Costs arising from these uses are therefore a legitimate charge against the academy's delegated budget.

### 3.2 Charges for a Letting

- 3.2.1 The Finance & Resources Committee is responsible for the determination of how charges will be made for lettings. It is determined that a charge will be levied which covers the following:
  - Costs of Services such as heating and lighting

- Cost of staffing (additional security, caretaking, and cleaning, Reception etc. - Including “on-costs”
- Cost of administration
- Cost of “fair wear and tear”
- Cost of use of academy equipment
- Profit element (if appropriate).

3.2.2 Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved.

3.2.3 The Principal, in conjunction with the Academy Business Manager, is responsible for setting charges for the letting of the academy premises either directly or via any delegated lettings management agreement. Advice on what to include when determining a scale of charges should be obtained from the Trust Estates & Facilities Team.

3.2.4 The specific charges levied will be reviewed annually by the academy, in conjunction with the Finance Business Partner, during Term 3, for implementation from the beginning of the next financial year, with effect from 1st September of that year.

3.2.5 Each academy will publish its own schedule of charges and will provide this in advance of any letting being agreed by the academy.

### **3.3 VAT**

3.3.1 In general, the letting of rooms for non-sporting activities is exempt of VAT, whereas sports and physical recreation lettings are subject to VAT (although there are exemptions under certain circumstances). For specific clarification on Lettings and VAT applicants should seek advice from the Academy Business Manager in the first instance.

### **3.4 Management and Administration of Lettings**

3.4.1 The Principal and Academy Business Manager are responsible overall for the management of lettings. The Principal may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process. If the Principal has any concern about whether a request for a letting is appropriate or not, the Trust Estates & FM Director should be consulted to provide advice.

### **3.5 The Administrative Process**

3.5.1 The Academy Business Manager or other designated person with responsibility for lettings shall ensure that a Lettings Agreement (**Annex 1**) is completed by the Hirer. Hirers will also be issued with a copy of Terms and Conditions of Hire (**Annex 2**), including details of academy specific charges, safety requirements and fire procedures. The academy has the right to refuse an application, and no letting should be regarded as “booked” until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

3.5.2 From September 2020 all new and existing hirers must also be provided with the Covid-19 addendum (**Annex 3**) which must be completed and returned to the academy prior to any lettings commencing.

3.5.3 The hirer should be a named individual and the agreement should be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

3.5.4 All amounts received by the academy's lettings will be paid into the academy's individual bank account, to offset the costs of services, staffing etc (which are funded from the academy's delegated budget). Income and expenditure associated with lettings will be regularly monitored to ensure that at least a "break even" situation is being achieved.

#### **4. Safeguarding where children and/or young people (Under 18) are involved**

4.1 It is a requirement that;

- The organisation has an appropriate child protection policy
- The academy has a list of the names and addresses of adults regularly attending
- Adults regularly attending have been DBS checked
- Adults regularly attending have received at least basic child protection training
- Where relevant, the organisation has Ofsted registration.

4.2 And:

- Where there is adults-only letting during academy hours, or where adults are present that have not been DBS checked, that the room/area being let is physically segregated from pupils.

#### **5. Public Liability and Accidental Damage Insurance**

5.1 The hirer will be required to confirm that adequate and appropriate insurance cover is in place for the activity to be carried out. The hirer will also be required to maintain its own adequate public liability and hirer's liability insurance and provide a copy of this to the Academy annually.

5.2 In addition to 5.1 above the academy is a member of the Government backed Risk Protection Arrangements (RPA). This cover sets out that:

*The RPA Administrator will, subject to the Definitions, Extensions, Exclusions and Conditions of the Rules indemnify any Hirer*

**1. for all sums that the Hirer shall become legally liable to pay for damages or compensation in respect of or arising out of:**

- Personal Injury*
- property damage*
- nuisance, trespass or interference with any easement right of air, light, water or way*

*Occurring during the Membership Year in connection and solely and directly arising from the use of the Member's premises or facilities during the period of the hire.*

**2. against legal liability for claimants costs and expenses in connection with clause 1 above.**

**3. in respect of:**

- costs of legal representation at:*
  - any coroner's inquest or inquiry in respect of any death*
  - proceedings in any court arising out of any alleged breach of statutory duty which may be the subject of indemnity under this Extension 17*
- all other costs and expenses in relation to any matter which may form the subject of a claim for indemnity under clause 1 above incurred with the prior written consent of the RPA Administrator.*

*Hirer is defined as any person or organisation whom the Member has hired rooms where that person or organisation does not have public liability insurance.*

### **THE HIRER MUST COMPLY WITH THE LAW OF THE LAND**

#### **1. Bookings**

- 1.1 Hirers will be informed, at the time the application is approved, of the charge for the use of the facilities required. Hirers will be invoiced monthly in advance. - 1.2 Hire is for the periods as stated in the application. Non-attendance which has not been previously agreed following a booking will be chargeable, excepting that under the Academies discretion items such as adverse weather, fire, flood or unexpected staffing issues may affect attendance.
- 1.3 Bookings are not confirmed until the application has been agreed and signed by the FM Manager/Lettings Manager.

#### **2. Payments & Charges**

- 2.1 Any payment made on the day of attendance should be clearly marked with the hirers name and the amount, and a receipt issued by the Academy representative. Failure to settle the account may result in court action.
- 2.5 Block bookings for sports and physical recreation facilities of 10 sessions or more may be exempt from VAT.
- 2.6 VAT may be payable as per **Annex 4**.
- 2.7 Hire charges will be reviewed annually.

#### **3. Cancellation & Termination**

- 3.1 The Trust reserves the right to cancel any letting if the accommodation is required for urgent official or academic business. In these circumstances, every effort will be made to advise the Hirer as soon as possible.
- 3.2 We require one calendar months' notice, in writing, of termination of the hire if the end date differs to that stated on the application form. Without the required notice all hire costs are payable by the last period of attendance under the notice period.

3.3 Hire will be automatically terminated and all hire costs up to the date of termination will become payable if Academy staff, grounds, equipment, and buildings are either verbally or physically mistreated. ## Annex 3

### **Lettings Policy Addendum to support Covid-19 measures.**

This policy addendum outlines the roles and responsibility of the academy and hirers to ensure that community lettings can run in the safest way possible. All customers must agree and adhere to this COVID-19 Lettings Policy. Please read this policy carefully and take the time to formulate your own plan as to how you will run sessions safely in academy facilities. Your usage may be spot checked by our team or the academy, and it must adhere to the following requirements.

#### **Social distancing**

Government rules, guidelines and recommendations around COVID-19 and social distancing need to be fully adhered to at all times. This may include requirements such as keeping at least 2m separation between people and/or permitting only a limited number of people at any event or hiring. It is the hirer's responsibility to comply fully with all government requirements at all times, in addition to any further requirements that this Hiring Agreement contains.

The academy will ensure that social distance is always observed between themselves and a hirer, as well as between different groups. Our staff will also ensure that each booking will be allocated one set of toilets where possible for the duration of their booking and we ask that hirers only use their designated toilet.

It is each lead hirer's responsibility to ensure that social distance is observed with their attendees and anyone associated with their booking whilst on site. Hirers must accept this responsibility before attending the site, and the academy will work with hirers to advise them on how to make this possible in the spaces they use. This may include restricting group sizes in order to ensure that there is at least 2 metres separation between attendees, capping classes at a certain set number based on room size, and allowing access on a first-come, first-served basis. Hirers may also want to consider marking (removable) spots on the floor to reinforce 2 metres separation between attendees. Social distancing measures for team sports may require or allow for different measures. The hirer is responsible for observing their activity specific guidance.

#### **Access**

All hirers are required to wait outside the academy building for their session, where an academy representative will collect them and see them to their space. This applies in all weather conditions to avoid gathering in entrances.

Hirers will be asked to clean their hands using hand sanitiser or using the nearest toilet on the way in, which may result in a different access route being used.

Our academy representative will prop open doors where possible to allow customers to move through the building without touching any surfaces.

For lettings using drop off and pick up, only those using the space are allowed in any academy buildings. Parents and/or guardians doing drop off or pick up must wait outside, maintaining a 2m distance at all times. The academy representative will meet the hirer in their space at the end of their session and see them out of the building.

#### **During your letting**

Each letting group will act as a "bubble". Please ensure all members of the bubble remain with their group and do not interact with others on site.

Hirers are required to use face covering when accessing shared spaces (e.g. toilets).

Where a letting is indoors, irrespective of the weather we advise that windows are open to increase ventilation.

Hirers must bring their own antibacterial hand sanitiser and wipes for use during their letting.

We ask that hirers bring their own water bottles instead of drinking directly from water stations. Water access maybe available to fill up these bottles.

Any equipment used must be pre-agreed (once again) with the academy representative. Equipment must not be shared between 'bubbles'.

When this equipment use is agreed, hirers must bring appropriate cleaning materials to disinfect the items used at the end of their session.

### **Cleaning and maintenance**

The academy representative will identify touch points, such as door handles and taps, for each specific space and ensure that these are cleaned with disinfectant before and after any hirers attend the site.

The academy representative will check toilets before each letting, to ensure there is an adequate supply of soap and paper towels.

If hirers are using any pre-agreed equipment, they must ensure that it is wiped down with disinfectant at the end of their session.

### **Suspected cases of COVID-19**

We ask that anyone who falls within the clinically vulnerable or extremely clinically vulnerable group will be advised to stay at home. In addition to this, anyone who has displayed symptoms within the last seven days, or lives with someone who has displayed symptoms within the last fourteen days, must not attend the site. This includes if the person displaying symptoms receives a negative result to the test.

We ask all hirers and academy staff to remain alert to the symptoms of COVID-19 and take the following action should they develop either a fever, a persistent cough or lose their sense of smell and taste whilst on site.

- The individual must leave the academy site immediately. If they are awaiting collection, they must wait outdoors in isolation from others.
- The hirer must report this incident to the academy representative immediately.
- The rest of their 'bubble' will be expected to self-isolate for 14 days and will not be able to visit the academy during this time.

The areas used by this bubble will be blocked off until a deep clean can be undertaken. This includes:

- The access route taken by the group
- The space(s) used by the group
- The toilets associated with these spaces
- Any equipment agreed for use for this group

### **Hirer Declaration**

As hirer of the academy premises, I agree to the following whilst on site:

- Maintaining social distancing at all times, particularly from any other users, and academy staff on site.
- Putting measures in place to ensure that my entire activity/session is run in a socially distanced fashion so far as is possible, including avoiding gathering of any attendees and parents picking up during pick up and drop off times.
- Ensuring that my activity is run according to all current government and/or governing body guidelines.
- Ensuring that I bring my own antibacterial hand sanitiser and disinfectant wipes for use during my letting, and that these are used to sanitise any academy equipment used.
- Ensuring that each of my attendees is aware of this responsibility and they have been briefed on this policy, but particularly:
  - That they should not attend site if they have any symptoms of the virus
  - That should they develop symptoms having attended the school site they inform you, the organiser, immediately
  - The need for them to social distance
  - The importance of handwashing regularly
  - The need to travel to the venue safely, avoiding public transport if possible
  - That they should bring their own water bottles rather than using water stations at the academy
  - Ensuring that I am aware that should anyone display symptoms on site they should leave the site immediately and the academy will be informed.

### VAT determination for sports and recreational facilities hire – Extract from VAT Notice 742: Land and Property May 2012

The full information relating to this determination is available at

<https://www.gov.uk/government/publications/vat-notice-742-land-and-property/vat-notice-742-land-and-property>

## 5. Sports facilities and physical recreation

### 5.1 The basic VAT position

If you let facilities for playing any sport or for taking part in any physical recreation your supply is normally standard-rated. But, if the let is for over 24 hours or is for a series of sessions your supply may be exempt. Please see paragraph 5.3 and 5.4 for more details. If you are a sports club or a non-profit making body you should read Notice 701/45 Sport.

### 5.2 What is a sports facility?

Premises are sports facilities if they are designed or adapted for playing any sport or taking part in any physical recreation, such as swimming pools, football pitches, dance studios and skating rinks. Each court or pitch (or lane in the case of bowling alley, curling rink or swimming pool) is a separate sports facility. General purpose halls, such as village or church halls, which merely have floor markings are not themselves classed as sports facilities and the letting of such halls is exempt even when let for playing a sport. Similarly, school halls or similar (but not gymnasiums) are treated as exempt providing it is the bare hall that is provided. However, if equipment such as racquets and nets are provided along with the hall the supply is of standard rated sports facilities.

### 5.3 Lets for over 24 hours

If you make a single let of sports or physical recreation facilities for a continuous period of over 24 hours to the same person your supply is exempt, unless you have opted to tax. However, the person to whom you let the facilities must have exclusive control of them throughout the letting period.

### 5.4 Lets for a series of sessions

If you let out sports and physical recreation facilities for a series of sessions your supply is exempt (unless you have opted to tax) when you meet all the following conditions:

Step	Condition
1.	the series consists of 10 or more sessions.
2.	each session is for the same sport or activity.
3.	each session is in the same place. This condition is still met where a different pitch, court or lane is used (or a different number of pitches, courts or lanes), as long as these are at the same establishment)..
4.	the interval between each session is at least 1 day but not more than 14 days (for an interval to be at least 1 day, 24 hours must elapse between the start of each session). The duration of the sessions may be varied. There is no exception for intervals greater than 14 days through the closure of the facility for any reason.
