3:56-4:56	5	<b>Class with Teacher</b> on Zoom	Individual Work w/Teacher Support		<b>Class with Teacher</b> on Zoom	Individual Work w/Teacher Support

Advisory is an extension of our ECAM mentoring class. During this time, students will have opportunities to form strong relationships with their mentors, connect with their peers, and work on developing habits of success.

Blue Boxes indicate times when students will be online, participating in whole class activities with their teachers.

White boxes indicate times when students will be working independently offline, unless their teacher schedules time for them to receive additional instruction or to work with a small group of peers. Independent work may include project work, studying for an assessment, reading, writing, or other assigned activities.

ECAM stands for Exploring Curriculum Advising and Mentoring. ECAM is a critical component of the INCharge personalized learning program. During this time students may participate in a wide range of activities. Examples include 1:1 mentoring, goal setting, small group work, focus assessments, project work, and personalized learning time.
