6- Credit Completion Summer School

SAT AND ADVANCED PLACEMENT TESTING RESULTS

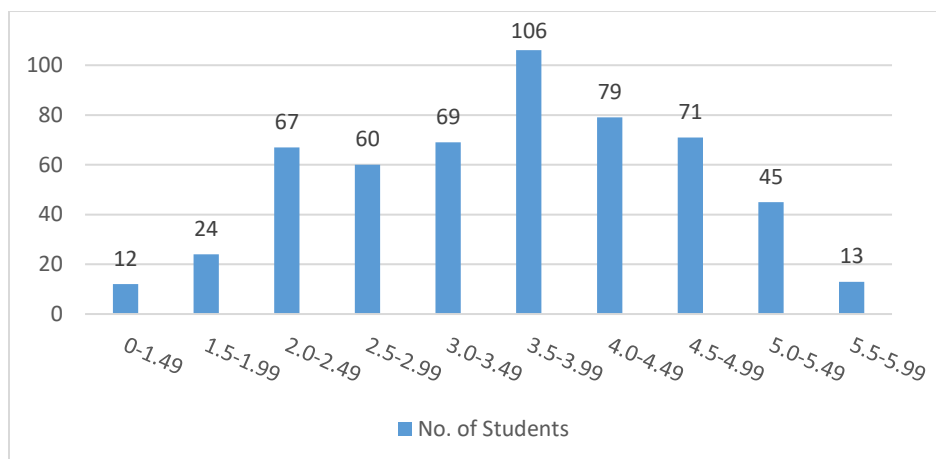

The class of 2020 averaged 550 on the evidence-based reading and writing section and 556 on the mathematics section of the SAT test. In addition, EHS administered 784 AP exams with 258 scoring a five, 252 scoring a four, and 168 scoring a three.

Distribution Chart

A weighted and unweighted GPA will be supplied for each student to colleges/universities for admission purposes. The challenges of our academic environment are met by most students who earn outstanding grades. For this reason, we do not believe that reporting class rank fairly communicates our students' achievements and abilities. In Edison High School- **6.05 is the highest GPA that can be attained.**

Students who have taken all their high school courses in Edison and /or high schools in New Jersey (public/parochial/private) receive a weighted GPA and are included in the GPA Distribution Chart. Students from outside New Jersey who transfer to Edison following the first marking period of the junior year are not included. The transcript includes information pertaining to classes taken at the previous high school at the time of transfer. Additionally, all high school courses taken in Edison are included.

Edison High School Class of 2020 GPA Distribution

Weighted GPA – 504 Students

**New Entrants as of 9/4/20 are not reflected in the GPA Distribution

COMMUNITY

Edison is a 32 square mile township in northern Middlesex County just north of New Brunswick and Rutgers University. It is 25 miles southwest of New York City. It is a suburban community with many commuters to Newark and New York. Many of the more than 100,000 residents enjoy an above average socio-economic level. A high percentage of parents are college graduates and are employed in a wide variety of occupations that encompass many managerial and professional positions. In recent years, a number of foreign-born students have enriched our student body.

SCHOOL

Edison High School is a comprehensive four-year high school with an enrollment of approximately 2,084 students. The graduating class of 2020 consists of 504 students. Edison High School is very strong in the areas of academics, technology and the fine arts. The school also encompasses an exceptional music, drama, athletics, student government, and service organizations.

FACULTY

The faculty consists of 190 members, 54% of whom have Masters, and 1% of who have Doctorates. The high school consists of four administrators, 7 academic supervisors, eight school counselors, two college counselors, two crisis counselors, and five individuals on the special service team. The teachers pride themselves in fostering the development of high-quality character among students and in preparing them to achieve their maximum potential in post-secondary pursuits.

ACCREDITATIONS

The New Jersey Department of Education accredits Edison High School.

STUDENTS

The students of Edison High School are academically competitive yet supportive of the endeavors and accomplishments of their classmates. There are rich co-curricular options available that encourage our students to become well-rounded young adults with interests that extend beyond the classroom and into a life-long love of learning.

CURRICULUM

All Edison High School students are required to successfully complete four years of English, Mathematics, Health and Physical Education, as well as three years of Social Studies and Science. Additionally, two years of a World Language is required. Elective subjects are offered in the above departments as well as in Business, Family and Consumer Science, Fine and Visual Arts, Technology, and Vocal/Instrumental Music. Honors, Accelerated, and Academic courses are available in English, Math, Computer Science, Science, History, World Language, and Music. The Advanced Placement classes offered at Edison High School are: AP English Language and Composition, AP English Literature and Composition, AP Seminar, AP Biology, AP Chemistry, AP Physics 1, 2 & C, AP Environmental Science, AP Calculus (AB), AP Advanced Calculus (BC), AP Computer Science A, AP Computer Science Principles, AP Statistics, AP US Government and Politics, AP European History, AP US History, AP World History, AP French Language and Culture, AP Spanish Language and Culture, AP Chinese Language and Culture, AP Music Theory, AP Studio Arts 2-D Design & 3-D Design, AP Economics.

COLLEGE ADMISSION

Approximately 83% of the graduating class of 2020 will continue their education in two-year or four-year colleges and universities. The members of the Class of 2020 are matriculating at some of the most outstanding colleges, universities, and technical institutes in the tri-state area.

CLASS RANK

According to the B.O.E. Policy 6147.1, class rank shall not be reported or released except if absolutely necessary for specific scholarships (including corporate), honor societies and service academies. A weighted GPA will be reported on the transcript.
