Good News, Parents!

3rd-5th graders can now check out eBooks with Sora, a student app by OverDrive.

For a brief introduction to Sora, watch this short video.

WHO: 3rd-5th grade students (upper elementary eBooks)
WHAT: access to digital versions of popular chapter books
WHERE: Sora app on a student device
WHEN: EISD librarians will share login details during library
WHY: to encourage reading and provide more digital resources

We are working on a partnership that will expand access to even more eBooks by connecting Sora to the children's collection at Westbank Library. Details coming soon!

Getting started with Sora

3rd-5th grade students will be taught how to log on and use Sora during library time, but directions are also listed below.

1. Find the Sora app on your iPad home screen.

2. In Sora, enter the setup code eanestx.

3. Log in with your Eanes email and password (back of iPad).

4. Browse the Explore tab to read summaries and samples of eBooks. Once you've decided on a title, tap on Borrow.

Please note: some eBooks expire after a certain number of checkouts, so we request that students always read the sample before borrowing titles in Sora.
