LEAVE BENEFITS

The purpose of this section is to generally describe leave benefits available to employees. Please refer to your employment agreement for specific information about your leave benefits.

Family and Medical Leave Act (FMLA):

The federal Family and Medical Leave Act (FMLA) were enacted by Congress in 1993 and provides eligible employees with job-protected leave for certain family and medical reasons.

To be eligible for FMLA leave, you must have been employed by the school district for at least 12 months and have worked at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave. Under FMLA, eligible employees are entitled to a total of 12 work weeks of unpaid family or medical leave. Employees may substitute accrued paid leave for unpaid leave during the leave period.

For more information, you may view District Policy 401, Family and Medical Leave on the District's website at www.isd77.org. Click on Discover MAPS > School Board > District Policies.

Employees who wish to apply for a leave of absence under FMLA should complete an application for FMLA leave. The application form can be found on the District's website at www.isd77.org. Click on Discover MAPS > Department > Human Resources > Learn More > Human Resources +> Forms and Resources > + "I am looking for Human Resources form...

Child Care Leave: Childcare leave is provided to employees in accordance with their employment agreements. Employees applying for childcare leave under the above FMLA provisions should use the FMLA application form.

Sick Leave: Sick leave is provided to eligible employees in accordance with their employment agreements. Sick leave may be used for the personal illness or injury of the employee, as well as to care for a sick or injured dependent child, adult child, spouse, sibling, parent, grandparent, or stepparent. Sick leave must be reported immediately in Frontline Absence Management or TimeClock+ for those designated to use those systems. Hourly employees not using Frontline Absence Management or TimeClock+ must complete a pink sick leave form and also indicate the sick leave day on their timesheets. All employees must notify their supervisors immediately that they will not be at work.

Personal Leave: Personal leave is provided to eligible employees in accordance with their employment agreements. Personal leave may be used for any reason. Requests for personal leave must be submitted and approved at least 24 hours in advance. Personal leave must be requested in Frontline Absence Management or TimeClock+ for those designated to use those systems. Hourly employees not using Frontline Absent Management or TimeClock+ must complete and submit a blue leave form to their supervisors for approval and also indicate the personal leave day on their timesheets.

Emergency Leave: Emergency leave is provided to eligible employees in accordance with their employment agreements. It is referred to as “family leave” in some agreements. The purpose of emergency leave is for absences due to the serious illness or death of a member of the immediate family. Serious illness is defined as an illness requiring hospitalization. The hospitalization of a healthy mother and baby for childbirth does not qualify for emergency leave use. Immediate family is defined in your employment agreement. Please refer to Policy 429, Emergency Leave Interpretation on the District website for more information about when emergency leave may be used. Emergency leave must be requested in Frontline Absence Management or TimeClock+ for those designated to use those systems. Hourly employees not using Frontline Absence Management or TimeClock+ must complete and submit a blue leave form to their supervisors for approval and also indicate the emergency leave day on their timesheets.

Vacation Days: Paid vacation days are provided for some employee groups in accordance with their employment agreements. Vacation requests must be submitted in Frontline Absence Management or TimeClock+ for those designated to use those systems. Hourly employees not using Frontline Absence Management or TimeClock+ must submit vacation requests for approval on the pink leave form to their supervisors in advance and indicate the vacation day(s) on their timesheets.

Unpaid Leave Days: Unpaid leave should be requested only in those instances when available paid leave has been exhausted and only when there are extenuating circumstances. There are many breaks provided throughout the school year when employees are not scheduled to work. The District expects employees who generally work only during the school year to schedule vacations in advance during non-work time. The school calendar can be found on the district website to assist you in planning time off in advance. Unpaid leave must be requested in Frontline Absence Management or TimeClock+ for those designated to use those systems. Hourly employees not using Frontline Absence Management or TimeClock+ must complete and submit a blue leave form to their supervisors for approval and also indicate the unpaid leave day on their timesheets.

Employees who report absences on leave request forms may obtain the forms from the building secretaries, the Business Office, or the Human Resources Office.

HEALTH INSURANCE

The District currently offers four health insurance plan options through Blue Cross Blue Shield of Minnesota. A general overview of these health insurance plan options can be found on pages 14-21 of this Handbook. Coverage for new employees becomes effective on the date of hire. Employees may change health plan options during open enrollment with changes being effective July 1 each year.

DENTAL INSURANCE

The District offers a dental plan through Delta Dental of Minnesota to employees covered by an employment agreement that includes dental insurance. Coverage for new employees becomes effective on the date of hire. A general overview of the dental plan can be found on page 24 of this Handbook.

Voluntary Dental Plan - For employees who are not covered by an employment agreement that includes dental insurance, a voluntary dental plan is available to eligible employees, which they may participate in at their own expense. Coverage for new employees becomes effective on date of hire. A general overview of the voluntary dental plan can be found on page 25 of this handbook.

LIFE INSURANCE

The District provides eligible employees with group term life insurance coverage in the amount specified by your employment agreement. The life insurance policy includes an accidental death and dismemberment (AD&D) provision. Employees eligible for life insurance coverage have the option to purchase supplemental term life insurance coverage which is paid for through payroll deduction. If supplemental life insurance is purchased at the time the employee initially becomes eligible for life insurance, no health history is required. Otherwise, a health history is required.

You have 30 days from the date you first become eligible for coverage to enroll in the life insurance plan with no limitations. If you wish to enroll at a later date, you will be required to provide satisfactory evidence of good health to the insurance carrier in order to be approved for coverage. You may change your beneficiary information at any time by logging into your Benefitfocus portal.

LONG-TERM DISABILITY INSURANCE

The District provides eligible employees with long-term disability (LTD) insurance. Your employment contract defines your eligibility for coverage and the employee cost toward the premium.

For eligibility requirements and the amounts that the District will contribute toward the premiums for any of the insurance benefits, please refer to your employment agreement.

SPECIAL ENROLLMENT

The only time that employees or eligible family members may enroll in the school district's insurance plans is at the annual open enrollment period or with a qualifying event. The notice period is thirty (30) days.

COBRA CONTINUATION INFORMATION

COBRA is part of the federal legislation passed in 1986 known as the Consolidated Omnibus Budget Reconciliation Act. This legislation provides employees and their dependents with the right to continue group insurance benefits under the employer's group contract in instances when coverage would otherwise end. This coverage is at the individual's own expense and lasts for a specified period of time depending upon the reason the coverage was lost.

You, the employee, and any dependents covered under your policy, have a right to choose continuation of coverage for up to **18 months** in any health, dental or life plan you may currently be enrolled in, if:

- You lose your benefits because you have had a significant reduction in hours, or,
- Your employment ends for reasons other than gross misconduct.

Your **Spouse** and **Dependent Children** may choose continuation of coverage for 36 months, if previously covered under your plan, due to one of the following qualifying events:

- The death of the covered employee, or
- Divorce or legal separation, or

- The employee's entitlement to Medicare

The length of continuation for these events will be determined by Federal COBRA law or State Continuation mandates, whichever is applicable. These situations will be handled on a case by case basis.

Additionally, the **Dependent Child** of a covered employee may choose continuation for up to **36 months** if the dependent ceases to be a "dependent child" under the plan rules, which means:

- They have reached age 26

Continuation coverage may be terminated for any of the following reasons, whichever event occurs first:

- The payment of the required premium fails to be made in a timely manner, or
- ISD #77 ceases to provide any group health coverage to its employees, or
- The continuation period has expired.

Under State and Federal Law, the employee or family member has the responsibility to inform Mankato Area Public Schools within 60 days from the date of any of these qualifying events in order to be eligible for coverage continuation. Upon election of coverage, premium payments will be due retroactive to the date of the qualifying event.

Additional information about COBRA Continuation may be obtained from the Benefits Specialist in the Business Office.

HEALTH SAVINGS ACCOUNT (Paired with Consumer-Directed Health Plan)

What's an HSA?

An HSA is a unique, tax-advantaged financial account that works with a specifically designed, high-deductible health plan. A high-deductible health plan gives you a lower monthly premium in exchange for a higher deductible (that's the amount you pay out-of-pocket before the health plan kicks in; just like car insurance). The combination of a high-deductible health plan and an HSA gives you effective, affordable and reliable health care coverage.

How your HSA works with your CDHP health plan:

1. You enroll in a qualified high-deductible health plan through your employer.
2. After you set up your HSA, you, your employer or both of you can contribute to your account.
3. Use your health benefits, per your health plan and benefit design.
4. As you incur expenses toward your health plan deductible and out-of-pocket maximum, you have the option to use the money in your HSA to pay for your portion of these expenses.

Further is the administrator of your HSA. Your HSA dollars are deposited with Further and you get your money quickly when you need to pay for a health care expense.

Benefits of an HSA:

- Your HSA gives you a triple tax benefit:
- Your HSA contributions reduce your taxable income.
- Money in your account earns interest tax free.
- Withdrawals are tax free, when used for eligible medical expenses.
- You decide when and how to spend your HSA dollars.
- You can use your account to pay for eligible expenses that aren't covered by your health plan; expenses like deductibles and coinsurance, dental care, orthodontia, and vision care.
- No "use it or lose it." Money not used in one year rolls over and is added to your balance the next year.
- You, your employer or both of you can contribute to the HSA in a given year.
- Your HSA works with your health plan.
- Fast, easy access to your HSA dollars when you use your HSA debit card or online reimbursements with direct deposit.
- Further gives you tools and support to manage your account online, anytime.
- You can invest a portion of your unused HSA dollars (once your balance reaches \$1,000) in a variety of stocks, bonds and mutual funds. Or, leave the money in your account and let it grow.
- The money in your HSA belongs to you, even if you change jobs or retire.

Use your HSA for eligible expenses, including covered and non-covered health care expenses.

Eligible

You can use the money in your HSA to pay for eligible medical expenses like:

- Medical and dental deductibles and co-payments
- Prescription drugs
- Vision expenses
- Over-the-counter medical supplies
- Orthodontia

Ineligible

You cannot use your HSA to pay for:

- Weight-loss programs
- Athletic club memberships
- Cosmetic surgery and procedures
- Diaper service
- Health programs offered by resort hotels, health clubs, gyms
- Supplements or Vitamins
- Travel for general health improvement
- Tuition and travel expenses for a child with special needs at a particular school

THE FLEXIBLE BENEFITS PLAN – FURTHER

The Flex Plan allows you to reclassify a portion of your paycheck into a pre-tax position. The dollars designated for these expenses will not be included in your taxable income, thereby increasing your take home pay.

The plan requires you to estimate, in advance, the expenses you predict you will have for the year in any of the categories eligible under the plan. These expenses, which you pay yourself, are dollar amounts you can have reclassified on your paycheck as pre-tax dollars. Election forms must be completed and submitted through your BenefitFocus Portal by the designated date in enrollment materials in order to participate for the next plan year. The Plan Year runs from January 1 through December 31.

When you submit your election, the amount you have elected for the year will be divided by the number of your anticipated regular pay periods and will be deducted pre-tax on your checks. As you incur expenses, you complete a "reimbursement request," attaching copies of receipts for these expenses, and submit them to Further. Those expenses you have incurred will then be reimbursed to you directly by check, or by direct deposit, whichever you choose. This results in your expenses being repaid to you tax-free.

The categories in which you may elect your expenses are:

Dependent Care: These are expenses incurred for someone who cares for your child or dependent while you are at work. The expenses for which you may be reimbursed are those which qualify as "Dependent Care Assistance" under Section 129 of the Internal Revenue Code.

Health Flexible Spending Arrangement (FSA): Your out of pocket medical and dental expenses (not reimbursed by insurance) are elected in this category. Typical expenses are deductibles and co-pays, orthodontia, vision, hearing aid costs, elective surgery, family counseling and treatment programs. A complete listing of eligible medical expenses can be found in IRS Publication 502.

NOTE: If you enroll in the health and dental plans, your share of the insurance premiums is automatically put into a pre-tax position unless you sign a form to waive this benefit. Waivers are available in the Business Office.

Estimate your expenses carefully! You will not be able to change your election during the Plan year unless you have an eligible "change in status" such as change in marital or employment status, birth of a dependent, death of spouse or dependent. If you estimate more than you actually spend in that plan year, *you will lose the difference between what you have estimated and what you actually spend.*

If you have questions regarding the Flexible Benefits Program, please call the Benefits Specialist at (507) 207-4011.

"Explore the Learning Center at <http://www.hellofurther.com> to find everything you need to know about understanding and managing FSA accounts, and how to maximize your tax advantages."

EMPLOYEE IDENTIFICATION BADGES

The School Board recognizes the importance of a safe and secure learning environment for its students and staff. Being able to easily determine whether an individual is in a building legitimately is one aspect of providing such an environment. Therefore, all regular employees are issued a photo identification badge which also serves as a key card. As an employee of the school district, employees are required to wear their picture identification whenever they are on school property.

Lost badges should be reported to your building secretary immediately to be inactivated for security purposes. Lost badges will be replaced at a cost to the employee of \$10.00. Employees with broken badges should contact the badge manager at Ext. 4020 for replacement.

Employees who separate from the District are required to turn their badges in to the building secretary or Human Resources Office prior to their departure.

EMPLOYEE ASSISTANCE PROGRAM

The School District offers an Employee Assistance Program through VITAL Worklife EAP to provide support for employees and their family members for personal issues that are affecting the employee's work performance such as:

- Marital and relationship issues
- Depression, stress and anxiety
- Parenting and child concerns
- Drug and alcohol abuse
- Coping with anger, grief and loss
- Legal and financial problems

Support is available 24 hours every day at no charge to the employee. For assistance through the EAP program, call 1-800-383-1908.

SCHOOL BOARD POLICIES

All District 77 School Board policies are on the website www.isd77.org. Click on Discover MAPS > School Board > District Policies.

It is each employee's responsibility to review the policies on the website. Summaries of selected policies appear below. Please review the full policies on the website for complete information.

Policy 410. Family and Medical Leave Policy: The federal Family and Medical Leave Act provide eligible employees with job-protected leave for certain family and medical reasons.

Regular full-time and part-time employees who have been employed by the school district for at least 12 months and have worked at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave are entitled to a total of 12 work weeks of unpaid family or medical leave
