

Sea Star News

Term: Fall · Issue: 11 · Date: September 9, 2020

Note from Principal Greer

Thank you for every decision you make to do what is best for your child(ren)'s learning. Thank you for helping them turn on their device and remembering to keep it charged.

Thank you for logging them into Zoom for class meetings and downloading apps. Thank you for taking pictures of work and sending it to the teachers. Thank you for your patience and positive attitudes. Thank you for being part of our teaching team. Thank you for the privilege to work with you and your family. Thank you for going above and beyond your regular responsibilities of work, life, and parenting to support schooling.

Remote Learning

NHCS updates their website frequently to communicate new information to parents about the return to school at the following link: nhcs.net/nhcsreadysetreturn. Updates to [Plan B](#) include additional

parent choice for attendance. Parents may choose for their children to attend school remotely even after they are assigned a group rotation for face to face attendance. Please let your child's teacher know if you will be choosing remote learning for their assigned face to face week.

School Opening 2020-2021

Health Assessments & Immunizations

Please turn in the Pre-K or Kindergarten Health Assessment for your child if you have not already done so. Updated immunization records are also required for attendance.

Medication & Emergency Action Plans

If your child needs medication administered at school, please contact our amazing school nurse, Becky Frederick, via phone at (910) 350-7860 ext. 71622 or via email at becky.frederick@nhcs.net.

Please let her know if your child has a medical condition that requires life-saving intervention or medication such

as diabetes, asthma, or epilepsy so we may create an Emergency Action Plan to ensure we respond appropriately to any need that arises.

Virtual Academy

All students enrolled in the Virtual Academy at CRECC will login this week. The workbooks that support the learning software are now available through the front office. There is a 2 week window that parents may choose to return to remote learning if you prefer not to participate in the Virtual Academy.

Save the Date

- September 18: Kindergarten Interim Reports
- October 5: Designated Teacher Workday
- October 8: K Report Cards
