Biography

My name is Yolanda Partida, I currently live in Peñitas but I have been very fortunate to live in different countries (Mexico, and the Republic of South Korea). I also have had the pleasure of living in Ft. Riley, Kansas where my husband was stationed during his military duty.

I am a graduate of La Joya ISD and earned my Bachelor Degree from Upper Iowa University and a Master Degree in Curriculum and Instruction with an emphasis in mathematics education from the University of Texas at Arlington. I have been a Teacher for the past eighteen years, five years in elementary and thirteen years in middle school. I have previously worked for Rio Grande City CISD and La Joya ISD.

In the summer I enjoy spending time with my two sons, whom are former STISD, Science Academy, and Med High students and my husband, former Med High student, at Isla Blanca Park in South Padre Island.

I have four dogs that I love dearly and enjoy spending my afternoons with. They are Max, a Weimaraner, a Labrador named Lola, Princess a Weimador, and Koko an Alaskan Klee Kai.
