Biography

Hi! My name is Cassandra Garcia and I have been teaching for 14 years but this is my 3rd year at South Texas Preparatory Academy. I am originally from Dallas, Texas but lived in the valley for the majority of my life. I attended the University of Texas – Pan American and graduated with a Bachelor of Science in Biology. I continued my education and received a Masters Degree in Plant Science from Texas A&M in Kingsville. Currently, I live in McAllen with my husband, Julian, and two kids (Ella and Ava). I enjoy baking, reading, traveling, and spending time with family.
