RESPONSIBILITY

Fourth Grade is all about responsibility and following directions.

The best way to be responsible and follow directions is to practice!

We have a place to keep our stuff!!
We have chores to do!
We are a part of the family!
We put our work away when finished!

HOW DO WE MAKE KIDS FEEL GOOD ABOUT THEMSELVES?

Let's tell them that we **EXPECT** them to try their very best everyday by **listening, thinking, and follow directions.**

HOW YOU CAN HELP

- Please look at the *Google Classrooms* with your child on a nightly basis.
- Remind your child to re-read the directions for assignments and the "success criteria" page. (Tells exactly what is expected.)
- Get your child into the habit of putting things needed for the next day back in a basket or on a shelf by his/her workspace.
- Give your child chores to do.
- Talk about your child's day.

LAST BUT NOT LEAST
