

Dear Meadowbrook Families,

September 1, 2020

I hope that this note finds you and your family well and that you had a healthy and enjoyable summer. I can sincerely say that I missed all of our campers and camper families very much this summer. I know that all of the camp staff that I spoke to (and it was most of them) missed spending their summer with our campers and each other as well.

I am very excited to share with you some of the plans that we have for the summer of 2021! To begin, we are anticipating that our first day of camp will be on June 28th and our last day of camp will be August 20th, 2021. Like in past years, we will be opening up our Early Bird Registration Period at the beginning of November and it will run to the first week of February. Our Teen Adventure program will begin registration in January. We will send you more information as we get closer to our Early Bird Registration Period.

It's a wonderful feeling to begin planning for the summer of 2021. This will be my 25th season at Meadowbrook! Of course, I'm not sure what the summer will look like, but I am optimistic and committed to making it the highest quality day camping program possible.

I hope that you have a safe and smooth beginning to the school year.

Best to you,

Dan
