Classroom Norms

Absent Work - Student work will be in folders, or for now on google classroom. It is their responsibility to get it, complete it and hand it in. I will meet with students to teach concepts missed if needed.

Missing Class for Extracurriculars - Student is responsible to make up or complete work and learn what they missed.

Genesis Parent Portal - Students grades will be submitted for parents to monitor student performance. What is shown may not be the final marking period since not all parts of a grade are factored in.

CLASSROOM NORMS Cont'd

Friday Folders - All student work will be returned in a folder on Friday. Please go through the work with your child and return the empty folder signed. If there are questions or misunderstandings please write a note in the notes section. Be sure to check genesis Parent Portal for all grades.

Parties - We will hold class holdiay parties and ask for one to two volunteers. There is a district no snack policy for celebrating birthdays

Chromebooks - They are our number one priority. We no longer assign or offer textbooks, but we do have workbooks which will be used in math. The students need to have these every day and they need to be charged. Most of our math and science work is performed on the chromebooks using different websites and google classroom.
