Conditions

- Employees are responsible for all warranty issues, maintenance and repairs.
- Employee assumes all responsibility for the equipment against damage, theft, and all other insurable risks.
- Employee must be full-time and employed with the district one year to be able to participate in this program.

Termination

- If you leave the district or are no longer a full-time employee, payroll deduction will not be available and you will need to pay off the balance owed.
- If you have had the equipment 6 months or longer it cannot be returned and you must pay the remaining balance.

This purchase plan is being offered in conjunction with the district policy adopted September 11, 1989: To increase user knowledge, skills, and application of technology as a tool for job efficiency, the Mesquite Independent School District shall provide eligible employees the opportunity to purchase personal computer equipment through cash or payroll deduction. The equipment shall be purchase at district cost and be compatible with district standards. The pay back period shall not exceed two years. The program shall be totally voluntary.
