Biography

Hello! My name is Rozanne Martinez, and I was born and raised in Edinburg Texas. I am a 2005 graduate of UTPA now known as UTRGV. I have been in music education for 20 years, beginning with teaching piano in a private studio. This will be my 8th year at South Texas ISD Preparatory Academy and I love teaching students the joy of making music.

I enjoy playing music with different groups. My hobbies are cooking, gardening and traveling to the hill country.
