

2020-21 School Internet Program Agreement

Boys' Latin of Philadelphia prepares boys for success in college and beyond. To support students in achieving this mission, the school ensures students can access the Internet. The school may connect students to the Internet through a school-issued mobile hotspot or through the PHLConnectED Internet Essentials program. By entering into this agreement with the school, the student and their parent/guardian confirm that they have reviewed and accept the school's *Acceptable Use Policy*.
